

Worker Support Programs

PROGRAM	DESCRIPTION	LEARN MORE
Time Loss Program	The Quarantine Time Loss program provides baseline \$120 daily compensation for workers who cannot work due to COVID-19, are not on unemployment, workers compensation time loss, or have access to sick leave at work. The fund is \$30 million, and the program will be administered by the Department of Consumer and Business Services.	oregon.gov/covidpaidleave
Quarantine Fund	The Quarantine Fund provides financial support to agricultural workers who are recovering from COVID-19. This fund helps workers take the time they need to recuperate, seek care, and quarantine. This is a public health intervention to not exacerbate infection due to financial need and keep the virus contained. The fund is \$10 million and will be managed by the Worker Relief Coalition.	http://workerrelief.org/quarantine-fund/
Pandemic Unemployment Assistance (PUA)	PUA is a federal program created through the CARES Act of 2020 and provides unemployment benefits to workers that are not eligible for regular unemployment insurance benefits. This includes people who are self-employed, independent contractors, and those who do not have enough recent earnings to receive regular unemployment benefits.	https://unemployment.oregon.gov/frequently-asked-questions#faqTopic-2008
Lost Wages Assistance	The Lost Wages Assistance (LWA) program is a temporary emergency measure that gives an additional \$300 per week to people who are out of work due to the COVID-19 pandemic and receiving unemployment benefits.	https://unemployment.oregon.gov/frequently-asked-questions#q-70510
